Participants who wish to join a session pay an **entry fee of \$30** (entry fee for 5 consecutive rounds: a session) and the winnings are dispersed once the session is completed. Session points are accumulated based on each round played with lowest net score receiving the most points and highest net score receiving the least points. KP's and skins (net & gross skins) are awarded points. Calculations will be based on the number of participants in the session.

**Outside of the three sessions various team games will be played with \$5 drop-in fees required.**

**Note:** you may still play an 18-hole round Wednesday morning even if you are not part of the "session". Please sign up via Tournament Manager ([ssi.golfclub.net](http://ssi.golfclub.net)).
